PERSONAL PORTFOLIO

<https://raynamecham.com>

WORK EXPERIENCE

Freelance Web Developer

June 2017 – Present

Salt Lake City, UT

- Working as a freelance web developer, I have developed, and continued to maintain websites for multiple clients.

Transcriber, Telenotes

May 2019 - March 2020

Salt Lake City, UT

- I worked with a team of transcribers to transcribe sales calls for clients. Calls were meticulously graded and attention to detail was essential.

Social Media Manager, MarketWise Consulting

June 2017 - March 2019

Rexburg, ID (Remote)

- I crafted and implemented Facebook and Instagram posts for multiple clients.
- I edited videos for use in social media management and other marketing endeavors.

EDUCATION AND TRAINING

Hackbright Academy

January - July 2021

San Francisco, CA

- Hackbright is a coding bootcamp that teaches the fundamentals of modern web development, including frontend, backend, and database programming.

Weber State University

December 2013

Ogden, UT

Associate of Science, General Studies

ACTIVITIES/INTERESTS

Creating, Organizing, Cooking, Reading, Gaming, Music, TV/Movies, Concerts
